Department of Electronics Instrumentation and Control Engineering

GECA/EI&CE/2018/49

Date: 29/6/18

Office Order

As per RTU order RTU/Acad/F(17)19/2018/302 dated 22/05/18, All the students of Electronics Instrumentation and Control Engineering branch admitted in 2017-18 have to attend 15 days (two week) compulsory training on AutoCAD during summer vacations. As per directions received, in lieu of this order, students are permitted to take 15 days training at their own arrangements in Authorized CADD available at your location and if not then at Authorized CADD at Ajmer. Students have to produce certificate of training at the time of examination (III Sem). Students may contact helpline number of CADD Centre for further help & schedule: 9351651101, 9783937051, 0145-2625553. Department is organizing above mentioned training on MATLAB and LABView from 02/07/2018 to 16/07/2018 in EI&CE department computer lab.
