दिनांक/Date... **1-Mar-19**.....

To,

The Principal/Director  
Engineering College, Ajmer (Raj)

**Subject: Invitation for Summer Faculty Research Fellow Programme - 2019**

Dear Sir,

IIT Delhi is inviting faculty fellows from various Engineering Colleges, Science and Management Institutes in India to come and spend summer (during May-July 2019) for doing research work under the *Summer Faculty Research Fellow Programme* at IIT Delhi.

You are requested to bring this to the notice of all interested faculty members and encourage them to participate in this programme. The objective is to facilitate and orient faculty fellows to undertake research. The faculty fellow will get an opportunity to interact and work with the faculty mentor and his/her research students and get exposure to the equipment and lab facilities associated with the faculty mentor.

I am enclosing with this the details about the programme-support and eligibility criteria. The details of the programme, application form and the list of IIT Delhi's mentor are available at our website <http://cepqip.iitd.ac.in>.

We would be very grateful for your cooperation in this regard.

Sincerely,

(Prof. Mahim Sagar)  
Head QIP/CEP/TEQIP-III

Encl: As above

Put on website.
