Subject: - request for providing industrial/Practical training of 6 months to MCA 6th Semester year students.

Dear Sir/ Madam,

Govt. Engineering College, Ajmer offers B. Tech., MCA and MBA courses affiliated to Rajasthan Technical University Kota with approx 600 students graduating every year in various disciplines.

Our students have consistently given good results in university examinations. For the past five years our students have been placed in reputed companies like L&T, Infosys, Satyam, Syntel, TCS, Accenture, Arisant, Mothersons Sumi, Mastek, Wipro, I Flex, Birla Soft, L&T Engineering Solutions, Ashok Leyland, Aditya Birla group of companies, Vedanta, Essar, Apollo tyres, BHEL, Bosch, IBM etc.

As a prerequisite laid down by Rajasthan Technical University for the award of MCA degree, students are required to undergo industrial training for 6 months in their final semester to supplement their theoretical knowledge and get a feeling of the industrial environment prior to their placement.

I shall be thankful if you could provide industrial training to the following student(s) for a period of 6 months.
