Project Stage -1

NOTICE-1

All students of final year, Electrical Engineering Department are hereby informed to submit synopses of project -1 latest by 06/08/2019 up to 11:35 AM.

Guideline for Minor Project

- 1) Synopses should have Title (in bold), general introduction, block diagram/circuit diagram, technical, practical, economic feasibility, possible applications with reference.
- 2) Last date for submission of synopses is 06/08/2019, Tuesday (failure to do so may be considered as absent for the whole project stage -1).
- 3) Students can make their own group from their respective class/section only.
- 4) Each group will have to take the consent for being the supervisor from faculty members available in department.
- 5) Students should submit the project synopsis along with group members name. (not more than 4 in a group)
- 6) Students should give name and details of group members with supervisor name according to the Annexure-1 attached on or before 02/08/2019 Friday, 1:15-2:00 PM.
- 7) The synopsis should be duly signed by both the team members and the project guide.
- 8) Each group has to submit 3 different synopses for different projects they wish to work on. The probable project topics are to be taken from the attached list and trending research topics only.
