

ABOUT THE COLLEGE

Govt. Engineering College Ajmer was established in year 1997 with a view to provide learning facilities to boys & girls, deserving and desiring, and to produce engineers of highest ability who will become trendsetters in the profession. The institution is successfully moving forward with increased student strength, brilliant faculty members and efficient staff members. The institute has its own sprawling Wi-Fi campus, most modernized and ever growing other infrastructure facilities. Our aim is balanced development of students' personality got concrete expression in the form of participation of students in activities, organized under various forums like Creative Art Society, Sports Club, NSS, NCC for their physical, mental, aesthetical, ethical and intellectual development.

Govt. Engineering College, Ajmer

OBJECTIVES OF THE WORKSHOP

Engineering Education require knowledge of various core skills for their overall development. This workshop is being organized to felicitate Engineering students with core skill development in the field of Hydro power generation and national grid. In this Workshop, it is planned to bring together experts, scholars, innovative researchers, leading professionals, academicians, and industrial experts to exchange & share their experiences and research activities about all aspects of Hydropower generation in India.

This Workshop is intended for Engineering Student (UG and PG) and research scholars who have interested in such advanced techniques.

The main focus of the course will be on the following topics:

- Power Scenario in India
- Energy Resources
- Renewable Power
- Hydro Power Generation
- Layout of Hydroplant
- Hydroplant Operation
- Challenges in hydro plant
- National Grid

Three Day Workshop On

Hydropower Generation and National Grid August 29-31, 2019 (TEQIP-III Sponsored)

CHIEF PATRON

Dr. Subhash Garg
Hon'ble Technical Education Minister
Govt. of Rajasthan

Sh. Vaibhav Galaria
Hon'ble Principal Secretary DTE
Govt. of Rajasthan

PATRON

Dr. Rohit Mishra
Principal

CONVENER

Dr. K G Sharma

Organized by
Department of Electrical Engineering
GEC AJMER
www.ecajmer.ac.in

ELIGIBILITY

This programme is interdisciplinary and it is open to students and research scholar engaged in Electrical Engineering and allied Departments.

REGISTRATION DETAILS

Participants	Amount
Students	1000/-

- Registration forms are also available on Institute's website www.ecajmer.ac.in
- Registration form duly forwarded by Head of the Department/Institute along with demand draft of requisite amount in favour of "Principal, Govt. Engineering College, Ajmer".
- Participants are requested to make their own arrangements for stay during the Course. However, suggestions for suitable accommodation near the college can be made on request.
- No TA/DA will be provided to the participants.

HOW TO APPLY

Registration form along with requisite fees and sponsorship certificate may be sent to Workshop organizer. Participants are also required to fill registration form available on institute website for registration.

COORDINATORS

Dr. Indira Rawat

Mr. Ajay Agarwal

Dr. N K Gupta

ORGANIZING COMMITTEE

Mr. K Anil Kumar

Mr. Amit Kumar Taneja

Ms. Shivani Dwivedi

Mr. Gyanendra Prakash

Mr. Arjun Pareek

Mr. Arun Dev Pandey

Mr. Prem Shankar Sehwal

Mr. Devendra Kumar Sanadhya

Ms. Janki Sharma

Mr. Praveen Kumar Sharma
