Subject: **One week Compulsory online Human Value workshop for all the B.Tech. first year students**

Dear Sir/Madam,

Bikaner Technical University is committed for imparting **Value based Technical Education**. Even during this tough time of Covid-19 outbreak, university is making its best efforts to help all affiliated colleges in this direction.

One such step taken in this direction by university is, arranging a one week Compulsory online Human Value workshop for all its first year students in **addition to the mandatory training during this summer vacation**. So that our students can better understand the importance and concept of harmony for human being at all level of living during this time of lockdown.

As mentioned, this workshop is compulsory for all the B. Tech. **First Year students mainly**, therefore, all the students have to fill a Google form and select a slot suitable for them to participate in this workshop.

The link is attached herewith- <https://forms.gle/vi8dn6aVXLABbJ9FA>

This workshop will be of 2.5 Hr. duration in two sessions, with a bio-break of 15 min. The timing of this workshop will be 02.00 PM to 04.30PM every day from Monday to Friday. All colleges need to inform and circulate Google form among all first year students and get it filled within 2 working days' time, i.e. by 5.00 PM April 29, 2020, so that further planning can be done on time.
