Dear Sir / Madam

This is in continuation with the mail dated 18<sup>th</sup> April 2018 regarding the prioritized programs for application to NBA. NPIU – MHRD with consultation of NBA experts have come up with breakup of preparatory activities involved in accreditation of a program by NBA. These activities may be considered as milestones in the way to accomplish the target of applying to NBA. These milestone and corresponding timeline is given in table below.

Step	Milestone / Activity	Timeline
1	Registration of institute on online portal if have not done so far	April 30, 2018
2*	Submit program application and deposit fee	April 30, 2018
3*	CO – PO mapping, Finalize data collection for criteria 1 and 4-10	May 07, 2018
4**	Verify and Fine-tune criterion 1 and 4-10	May 10, 2018
5**	PO attainment and fine tune criterion 2-3	May 17, 2018
6	Preparation of SAR in soft form	May 19, 2018
7	Mock evaluation of SAR of each program by experts – preferably by inviting experts in person to institute or by sending but if visit not soft copy can be sent to the experts for evaluation	May 21 – May 23, 2018
8	Incorporate changes suggested in the mock evaluation	May 24, 2018
9	Upload SAR onto eNBA (simultaneously in case of multiple programs)	May 31, 2018

\*Activity 2 & 3 may be done simultaneously | \*\* Activity 4 & 5 may be done simultaneously

As soon as any of the above activity for any of the targeted program is completed, the concerned SPIU should be intimated through email along with a copy to the NPIU (Mentor consultant). Please remember, if we defer the timeline or fail to complete the activities we shall not meet the DLI and invite fund disbursement issues. Hence the matter be considered as most important.
