

Two Days Workshop on Research Projects, funding and Opportunities in Engineering & Sciences

Patron

Prof. Rohit Misra
Principal
Government Engineering College, Ajmer

Principal Coordinator

Dr. Alok Khatri
Head (ME)
Govt. Engineering College, Ajmer

Coordinator

Dr. Chandan Sharma
Mr. Tarun K. Aseri
Mr. V.K.Verma
Dr. V. M. Phalle (VJTI, Mumbai)
Dr. H. P. Khairnar (VJTI, Mumbai)

Co-Coordinator

Mr. Dilip Sisodia
Mr. Kamal Singh
Dr. Jai Kishan
Mr. Jagbeer Singh

Organizing Committee

Mr. Y. K. Gupta
Dr. B. D. Gidwani
Dr. D. K. Jamuwa
Mr. Dilip Gehlot
Mr. Mool Chand Khatri
Mr. S. N. Tazi
Mrs. Jyoti Gajarani

Dr. Devendra Choudhary
Dr. Sandesh Trivedi
Dr. Manish Badlani
Mr. Lalit Kumar Dusad
Dr. Ganpat Singh
Mr. Dilip Sisodia
Dr. Deepika Sharma

Topics to be covered

- AICTE Sponsored Schemes
- MODROBS Projects
- DST Sponsored Projects
- Collaborative Research Schemes
- International & National Sponsoring agencies
- Intellectual Properties Rights
- Writing research proposals
- Writing Research Papers and Many More....

Registration

Fees	
Faculty of Academic Institutes (Excluding GECA)/Industries	Rs. 500

Dr./Mr./Ms.....
is hereby permitted to participate in the above workshop.

Signature with Date and Seal

Two Days Workshop on Research Projects, funding and Opportunities in Engineering & Sciences

About the College

Govt. Engineering College Ajmer was established in the year 1997 with a view to provide learning facilities to boys & girls to produce engineers of highest ability who will become trendsetters in their profession. The institution is successfully moving forward with increased student strength, brilliant faculty and efficient staff members. The institute has its own sprawling Wi-Fi campus, most modernized and ever-growing other infrastructure facilities. Our aim is directed towards the balanced development of student's personality to achieve concrete expression in the form of participation of students in activities, organized under various forums like Creative Art Society, Sports Club, SAE Club, NSS, NCC, for their physical, mental, aesthetical, ethical and intellectual development.

About Ajmer

The holy city Ajmer, enveloped in the bewitching brownish hilly terrain, founded in the 7th century A.D. by Raja Ajay Pal Chauhan, lies in the heart of Rajasthan. The city, an exotic land of valiance & chivalry and historical centre of pilgrimage, is renowned for an amalgamation of various cultures & traditions of Marathas, Chauhans and Mughals and undoubtedly, for its fabulous quality education. The fulcrums of Ajmer are Dargah Sharif Tomb of the Sufi saint Khwaja Moinuddin Chisti and sacred Pushkar, the abode of Lord Brahma. Ajmer, having a population of over 5 lakhs is well connected to the other major cities by rail and road. The Sister City of Ajmer, Pushkar is only 11 Kms away from the city.

About the Workshop

Research and development is the backbone of the progress of any country. Developed countries are spending more than 2% of their GDP on research and development. India is spending only 0.7-0.8% of GDP on R & D. Though our country has enormous talent, lack of information about funding sources has hindered many researches seeing the light of the day and researchers are not able to find proper platform for exposure of their knowhow. Keeping these issues in mind, this workshop has been designed to spread awareness, enlighten the faculty and students about research in writing research proposal and getting funds for the research.

The workshop on "Research Projects, funding and Opportunities in Engineering & Sciences" aims to provide a platform to the teaching faculty and students to strengthen research by writing quality research proposals and mobilizing funds for the institute.

Contact Address

Department of Mechanical Engineering
Govt. Engineering College Ajmer
National Highway No. 8, Badliya Circle,
Near Nareli Jain Temple,
Ajmer - 305025 (Raj.)
Cell No.: +91-9414604006
