

# One Week Short Term Course on Entrepreneurship and Personality Development

## About the College

Engineering College Ajmer was established in the year 1997 with a view to provide learning facilities to boys & girls to produce engineers of highest ability who will become trendsetters in their profession. The institution is successfully moving forward with increased student strength, brilliant faculty and efficient staff members. The institute has its own sprawling Wi-Fi campus, most modernized and ever-growing other infrastructure facilities. Our aim is directed towards the balanced development of student's personality to achieve concrete expression in the form of participation of students in activities, organized under various forums like Creative Art Society, Sports Club, SAE Club, NSS, NCC, for their physical, mental, aesthetical, ethical and intellectual development.

## About Ajmer

The holy city Ajmer, enveloped in the bewitching brownish hilly terrain, founded in the 7th century A.D. by Raja Ajay Pal Chauhan, lies in the heart of Rajasthan. The city, an exotic land of valiance & chivalry and historical centre of pilgrimage, is renowned for an amalgamation of various cultures & traditions of Marathas, Chauhans and Mughals and undoubtedly, for its fabulous quality education. The fulcrums of Ajmer are Dargah Sharif Tomb of the Sufi saint Khwaja Moinuddin Chisti and sacred Pushkar, the abode of Lord Brahma. Ajmer, having a population of over 5 lakhs is well connected to the other major cities by rail and road. The Sister City of Ajmer, Pushkar is only 11 Kms away from the city.

## About the course

World-class Entrepreneurs and the entrepreneurial spirit are going to be at the forefront of India's march towards super powerdom. It is high time to focused on organized entrepreneurial and intrapreneurial development by focusing on building businesses on the solid foundation of values, service, excellence and long-term commitment. Personal development is an ongoing and life-long process during which everyone can improve their life quality by discovering themselves, developing their own talents and potential, increasing the chances of achieving important goals and dreams.

For any engineering graduates, the entrepreneurship characteristics with developed personality in all manner is essential to make themselves industry ready. The primary aim of the course "Entrepreneurship and Personality Development" is to provide a platform to get various insights of entrepreneurship and personality development.
