

## Government Engineering College Ajmer

Sprawling over lush-green campus with hassle-free Wi-fi facility, well-equipped laboratories and other modern infrastructural amenities, Govt. Engineering College Ajmer (GECA), an autonomous institution under the Government of Rajasthan established in 1997 offers Bachelor of Technology, Master of Technology, Master of Business Administration and Master of Computer Applications. The college affiliated to RTU Kota/BTU Bikaner is an approved research centre of affiliating university and offers various Ph.D. programmes. The institute is about 10 km from the railway station as well as bus stand.

Well qualified and learned faculty-members nurtures student learning, fosters research temperament and creative activity so as to enable students to carve a niche for themselves and develop a profound academic and compassionate learning culture. The emphasis on comprehensive understanding of their chosen engineering discipline along with hands on experience as well as impressive placements and extra-curricular activities imbining social and national commitments render our institution as the right place for the students to gear up with a world class competitive edge. ## About the Short Term Course

As we advance by leaps and bounds into the ever widening horizons of Engineering and Technology, it becomes increasingly advantageous to the world to find a common platform where the latest information in the field can be shared and garnered. This Short Term Course on Emerging trends and Innovation in Engineering and Science (ETIES) has thrown up a number of new ideas and experiences. We have chosen to focus on the frontier topics in the areas of Engineering dealing with separate tracks on the Computer Science.

## Resource Persons

The STC sessions will be conducted by Faculty members from the IIT's, NIT's and reputed institution.

## Who can Apply

Faculty, Research Scholars, B.Tech (all branches), M.Tech, and MCA students of colleges are eligible to apply for the STC.

## Fee

Fee for the two week STC is as follows:  
Faculty, Research scholars, and Students from GECA: Nil. Faculty, Industry personnel from other institutes : Rs. 2500/-\*. Research Scholar, Students from other institutes: Rs. 1000/-\*.

The fee covers study materials and lunch during the STC. The STC timings are from 9:30 am to 4:30 pm on all days. Outstation participants will have to make their own arrangements for transportation and accommodation. The fee paid once will not be refunded under any circumstances.

## Selection

Only 100 seats are available for the STC. Participants will be selected from among the applicants to ensure representation from more institutions across the state.

## Certification

Participation certificates will be issued by the TEQIP-III, Government Engineering College Ajmer.

## How to Apply

Please apply for the STC at the <http://www.ecajmer.ac.in/accounts/eties>. Applicants who are selected for the STC will be intimated via email. Participants require to upload No Objection Certificate duly signed by Head of the institution given at <http://www.ecajmer.ac.in/accounts/eties/Certificate.pdf>

## Important Dates

Last date to Apply	July 12, 2019
Intimation of Selection	July 15, 2019
Confirmation by Participant	June 18, 2019

## Contact

Please add our email id [eties@ecajmer.ac.in](mailto:eties@ecajmer.ac.in) to your address book to receive information from us about the course.
