

No. : ECA/ 2020/6004

Date : 04.01.2020

**Memorandum of Understanding for Academic Collaboration  
Between  
Engineering College, Ajmer & AIVOT ÖU**

AIVOT is a Finnish word, which means brain. AIVOT been started in 2017 and got formal incorporation in Estonia in 2018. AIVOT also have rep office in Bangalore, India and establishing AI R&D Lab in India. AIVOT aim to revolutionize industries using artificial intelligence as the primary tool. AIVOT want to embed AI in all aspects of life and businesses and be a leader in the space. While there is a strong consensus that Artificial Intelligence will be a game-changer, there is a concurrent need to arrive at frameworks that will promote its deployment taking all factors into account. AIVOT operate in three horizontals: Services, Products and Training. AIVOT's training wing is aimed at developing talent to mass produce AI solutions. AIVOT strive to be enablers for AI Technology development, education, entrepreneurship and product commercialization.

At AIVOT, they use most advanced Artificial Intelligence technologies to rapidly and repeatedly deliver full stack solutions to our clients. Focusing on predictive analytics, natural language processing, and computer vision, we help businesses innovate with AI, automate processes & expand frontiers. This is driven by our exceptional team and constant investment in learning.

Engineering College, Ajmer and AIVOT ÖU develop an academic collaboration program in education & research, have agreed to following :

1. Based on the principle of mutual benefit and respect for each other's independence, the two institute will foster as per TIPL activities :
  - Joint Research Activities
  - Faculty Development Activities
  - Workshop on Latest Technologies
  - Internship Program
  - Joint conference
  - Project Based Industrial Training
  - Placement Support Activities
2. The following University Units / Faculty / Departments will be involved in above mentioned areas under academic collaboration.
  - (i) Department of Computer Science & Engineering
  - (ii) Department of Information Technology
  - (iii) Department of Mechanical Engineering
  - (iv) Department of Electrical Engineering
  - (v) Department of Electronics
  - (vi) Department of Electronics Instrumentation and control
  - (vii) Civil Engineering
