

**MEMORANDUM OF UNDERSTANDING
BETWEEN
Choyal School of Milling Technology, Ajmer
and
Engineering College Ajmer**

This Memorandum of Understanding (MoU) is entered into on 23/10/2024 by and between **Choyal School of Milling Technology, Ajmer**, located at Arjunpura, Ajmer (hereinafter referred to as "First Party") and **Engineering College Ajmer**, located at [Second Party's Address] (hereinafter referred to as "Second Party"). The First Party and Second Party shall be collectively referred to as the "Parties."

Purpose

The purpose of this MoU is to establish the basis for academic collaboration between the Parties to promote mutual interests in the areas of education, training, research, and development. This collaboration aims to enhance the learning experience and professional development of students and faculty members.

Whereas

Choyal School of Milling Technology, Ajmer. The Choyal School of Milling Technology (CSMT) is a dedicated center for advancing knowledge and expertise in the milling industry located in Arjunpura Ajmer. CSMT offers specialized training programs focused on flour milling technologies, turnkey solutions, and the latest industry innovations. With hands-on learning and experienced instructors, the school bridges the gap between theoretical knowledge and practical application, empowering students and professionals alike to excel in their fields.

and

Engineering College Ajmer (ECA) is one of the prominent government engineering institutions in the state of Rajasthan, India. It was established in 1997 by the Government of Rajasthan with the aim of providing quality technical education to students in the region. The college is affiliated with Bikaner Technical University (BTU), Bikaner, and is approved by the All India Council for Technical Education (AICTE).

Areas of Collaboration

The Parties agree to collaborate in the following areas, subject to mutually agreed terms and conditions:

- 1. Student Exchange Programs:** The Parties may organize student exchange programs, allowing students to engage in academic study and practical training at each other's institutions.
- 2. Faculty Exchange Programs:** The Parties may arrange faculty exchanges to facilitate joint research, teaching, and academic development.
- 3. Joint Research and Development:** The Parties may undertake joint research projects in areas of mutual interest, leveraging their respective strengths and resources.

4. **Workshops, Seminars, and Conferences:** The Parties may collaborate to organize and participate in academic events such as workshops, seminars, and conferences to promote knowledge sharing and professional growth.
5. **Curriculum Development:** The Parties may work together to develop and enhance academic curricula to meet evolving industry needs and global standards.
6. **Internships and Industry Exposure:** The First Party may facilitate internship opportunities and industry exposure programs for students of the Second Party, providing practical experience in their field of study.
7. **Collaborative Publications:** The Parties may jointly publish research papers, articles, and other academic content in reputable journals and publications.
8. **Lab or Center of Excellence Development and Other CSR Activities:** The First Party may assist the Second Party in the development of labs or centers of excellence, providing infrastructure and expertise.

Roles and Responsibilities

The Parties agree to undertake the following roles and responsibilities:

- **First Party:**
 - Provide access to facilities, resources, or opportunities mutually beneficial to both.
 - Offer technical and industry expertise to assist students and faculty in research and training.
 - Coordinate student and faculty exchanges, ensuring mutual benefits.
- **Second Party:**
 - Identify eligible students and faculty for exchange or collaborative projects.
 - Provide logistical support for joint research initiatives, seminars, or workshops.
 - Ensure alignment of collaborative programs with academic goals and requirements.

Duration and Termination

This MoU will remain in effect for a period of (1) years] from the date of signature. Either Party may terminate this MoU by providing Notice Period, of sixty (60) days written notice to the other Party.

Funding and Financial Arrangements

Each Party shall be responsible for its own costs and expenses incurred in relation to this MoU unless otherwise agreed upon in writing. The Parties may explore external funding opportunities for joint projects.

Confidentiality

Both Parties agree to keep confidential any proprietary or confidential information disclosed during the collaboration. Such information shall not be disclosed to any third party without prior written consent from the disclosing Party.

Intellectual Property

Any intellectual property arising from joint activities under this MoU will be subject to mutually agreed terms. Unless otherwise agreed, each Party will retain ownership of its pre-existing intellectual property.

Dispute Resolution

Any disputes arising from the interpretation or execution of this MoU shall be resolved through amicable discussions between the Parties. If the dispute cannot be resolved, the matter shall be referred to mediation or arbitration in accordance with the laws of [Jurisdiction].

Governing Law

This MoU shall be governed by and construed in accordance with the laws of Ajmer Jurisdiction.

Amendments

This MoU may only be amended or modified in writing, with the mutual consent of both Parties.
