

## Memorandum of Understanding for Academic Collaboration Between Engineering College, Ajmer & Xpert Finance

**Xpert Finance** is one of the fastest growing Fintech companies. **Xpert Finance** have a team of young and enthusiastic professionals who are focused on providing excellent professional services with quality, innovation, and the highest standard of client satisfaction. The aim is to build a financial ecosystem focused on providing end-to-end support for every business and individual.

**Xpert Finance** have expertise in the **Financial sector** - In the areas of Business setup, Compliance, taxation laws, Internal Audit, Anti Money Laundering intellectual property rights (IPR), trademarks, and start-up registration and fundraising.

**Xpert Finance** have helped many start-ups, traders, manufacturers, entrepreneurs, financial advisories, ad agencies, professionals register their businesses in India besides assisting individuals in their financial management and making compliances. The services offered are comprehensive and reachable at every corner of the country.

We are looking to connect with various Engineering and Technical Institutes where mutually we can shape and transform the young brains. By this Initiative we would be able to bridge the gap between an Industry and Academics. We have already offered and collaborated with many different Universities and Colleges and successfully are leading the program with their college faculties.

Engineering College, Ajmer and **Xpert Finance** will develop an academic collaboration program in Education and development for the next one year. Based on the principles of mutual benefit and respect for each other's independence, the two parties and have agreed to following:

- Live Projects
- Workshops on Latest technologies like Web Development, Digital Marketing, Mobile App Development etc.
- Internship Programs
- Placement Programs
- Project Based Corporate Training
- Industrial Expert Sessions for Faculties & Students.
- Industry readiness Sessions for Students.

1. The following Departments of Engineering College, Ajmer will be involved in above mentioned areas under academic collaboration.
  - i) Department of Computer Science & Engineering (CSE, IT & MCA)
  - ii) Department of Electronics & Communication
2. In order to carry out the above activities, a detailed plan may be agreed upon for consultation in two Institution/Organization.
3. It is implicit that every activity undertaken under this agreement is approved by the appropriate officials at each Institution/Organization and must fall within each Institution/Organization academic & fiscal constraints.
4. This agreement shall be effective on & after the date of its signing by the authorized representatives of the two Institution/Organization, and shall remain in force until either party wishes to terminate. In order to terminate, a one-year written notice must be issued.
